Investing in Canada – Investing in Nature

OUR MISSION

To protect and restore Canada's natural environment and biodiversity through land conservation.

BACKGROUND

- Founded in 2017 by Dr. Jan Oudenes and Dr. Isobel Ralston
- Advisory Team: Ian Buchanan, Chris Ballard, Machtelt Oudenes, Bill Ralston
- To Date: Funded 13 land trusts/conservancies with the acquisition of 40 properties across Canada for a total of 13,000 hectares

LAND TRUST AND CONSERVANCY PARTNERS

Prerequisites for partnering with a land trust/conservancy:

- Financial structure
- Board of governors (and advisory boards)
- The team (leadership, management and over-all team, volunteers)
- Proven ability to raise funds from private and public sectors
- Community support

FUNDING OF PROJECTS

Prerequisites for funding a project:

- Quality of the property (ecological importance, biodiversity, contiguity)
- Timing
- Breakdown of total project costs: property acquisition costs, affiliated costs (appraisal, legal, etc.), stewardship costs
- Leverage potential (private donors, government grants, community involvement, matching fund campaigns)

CONTACT US

For all inquiries, or if you are a Canadian charitable organization working for nature conservation and interested in partnering with MapleCross (www.maplecross.ca), contact us at info@maplecross.ca
